When: Wednesday, December 23, 2015 10:00 AM-10:30 AM (UTC-08:00) Pacific Time (US & Canada).
Where: Conf call

This is a 30-minute placeholder slot to discuss feedback we will be getting from Cadmus on the draft Arroyo Grande aquifer exemption package.

Mike, Michele will let us know prior to the meeting if you need to be present or not (i.e., whether Cadmus identifies any big issues that might warrant immediately reaching out to the State). I did not reserve a room because Michele and I will both be out of the office. I did reserve a conference line. Michele, can you please initiate the call.
